GitHub: github.com/chelseachi04 | **Portfolio:** chelseachi04.github.io/portfolio

PROFESSIONAL SUMMARY

Detail-oriented Frontend Developer and UI/UX Designer with hands-on experience building responsive, interactive, and visually premium web applications using React, JavaScript, and PHP. Proven track record of bridging the gap between design concepts and production-ready code, complemented by leadership experience managing tech education curriculum. Focused on clean UI implementation, intuitive user experiences, and web performance.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript (ES6+), React.js, Vite, Live State Management
- **Backend & Tools:** PHP, Git & GitHub, Fetch API, LocalStorage, Custom Form Validations
- **UI/UX & Design:** Graphic Design, UI Components, Typography, Responsive Layouts (Flexbox/Grid), Animations, Visual Identity
- **Soft Skills:** Technical Instruction, Team Leadership, Curriculum Development, Clear Documentation

EXPERIENCE & LEADERSHIP

Director of Studies (DOS) | Presloaded Academy (Present)

- Led curriculum planning and educational management for technology and frontend development tracks.
- Produced engaging instructional video series to simplify complex coding concepts for students.
- Organized and coordinated institutional certification ceremonies and student milestones.

- Collaborated on internal digital assets, leveraging graphic design skills to create high-quality academy visuals and marketing flyers.

PROJECTS

Frontend Developer & Designer | Professional & Personal Projects

Live Applications:

- **Executive Portfolio:** chelseachi04.github.io/p-portfolio (*Custom professional portfolio designed and developed directly for the company CEO*)
- **Kid Code Lab:** kid-code-lab.vercel.app (*Interactive educational platform for young learners*)
- **Sole Studio (E-commerce UI):** sole-studio-r47a.vercel.app
- **EduFord (Educational Website):** chelseachi04.github.io/EduFord
- **Personal Portfolio:** chelseachi04.github.io/portfolio

Key Highlights:

- **Client Collaboration:** Partnered directly with leadership to gather requirements, translate executive vision into high-fidelity UI layouts, and deploy production-ready web assets.
- **Responsive Engineering:** Designed and built highly responsive e-commerce and educational web applications utilizing React, JavaScript, and modern CSS layout techniques.
- **Interactive UI/UX:** Conceptualized and implemented interactive UI components including product sliders, modals, image galleries, and dynamic search filters.
- **State & Persistence:** Managed client-side state and persistence using React hooks and localStorage for shopping carts and tracking modules.
- **Full-Flow Development:** Developed seamless authentication and onboarding flows featuring real-time, client-side form validation and user feedback.
- **Optimization:** Ensured cross-browser compatibility and optimized web assets for faster loading speeds, accessibility, and pixel-perfect performance.

EDUCATION

B.Sc. in Computer Science (In Progress)

Delta State University, Abraka, Nigeria

Expected Graduation: 2026

CERTIFICATIONS

- Frontend Web Development with React – freeCodeCamp
- Responsive Web Design – Coursera
- JavaScript Algorithms & Data Structures – freeCodeCamp
